To Whom It May Concern:

Campout Against Cancer fundraisers honors survivors, remembers loved ones who we have lost and raises funds which enables us to provide financial help for cancer patients in Kern County who need assistance with their medical bills.

We are asking for donations of raffle items to assist with our event. We hope that you will be able to donate to our cause.

Kern County Cancer Foundation was founded to help pay for the treatment of cancer patients who lack insurance or sufficient funds to pay for their medical care and to help patients and their families with financial assistance for needs related to their care. Program applicants are individually reviewed by a patient eligibility committee, which includes volunteer medical professionals, medical social workers and a medical financial counselor.

If you would like more information please feel free to call me at any time. I can be reached on my direct line at (661) 862-7145. Our tax ID # 85-3730553.
