TEAMING UP AGAINST *Cancer*

ABOUT KERN COUNTY CANCER FOUNDATION

The Kern County Cancer Foundation helps pay for the treatment of local cancer patients who lack insurance or sufficient coverage to pay for their medical care. Applicants are individually reviewed by our Patient Eligibility Committee which includes volunteer medical professionals, medical social workers, and medical financial counselors.

The Kern County Cancer Foundation provides cancer treatment funding for patients in Kern County through a collaborative partnership with local healthcare providers and generous supporters. All of the funds raised will be distributed on behalf of qualified Kern County cancer patients and their families.

TEAMING UP

SUPPORTERS OF THE FIGHT!

The Kern County Cancer Foundation invites you to be involved in the fight against cancer at our Inaugural Teaming Up Against Cancer Event.

This event raises support for Kern County cancer patients. Your generous contribution helps with medical costs associated with one's cancer care, including prescriptions, co-pays, deductibles, insurance premiums and COBRA. Funds raised over the last 10 years, has allowed KCCF to allocate \$4 million dollars to more than 800 local cancer patients in need.

Join us on Saturday, March 18th, 2023, for our INAUGURAL EVENT! to honor survivors and remember loved ones who we have lost. Together, we can provide hope to our community, fight for those we cherish and healing for those loved ones we have lost.

Sincerely,

Sean Collins
Event Chair
